

SABOTAGE OF MY IMMIGRATION STATUS						
DATES	CHRONOLOGICAL TIMELINE	PASSPORT THEFT & ILLEGAL RETENTION				ABUSE AND USE OF HOME AFFAIRS DEPT
		ABILITY TO TRAVEL	CURRENT PASSPORT	ORIGINAL PASSPORT	IMPACT ON EXTENSIONS	During the campaign to steal back the properties the two investigating officers consistently (falsely) invoked the authority of the Home Affairs Dept, including falsely claiming I was wanted for deportation, producing two false affidavits allegedly for the H.A.D. a false affidavit from the I.O Serg Stevens himself. Further omitting the 2021 automatic extension, the moratoriums thereafter and my own extension of 2021.

Year: 2022	Home Affairs Dept issues moratoriums through 2022	PASSPORT STOLEN THEN HANDED TO WDS				
Jan-22	Passport stolen (first attempt), got it back March 2022					
Feb-22						Passport stolen with the purpose of making visa extensions impossible
Mar-22	Passport stolen by PD					
Apr-22						
May-22	Not realising it had been stolen, assuming it was lost I ordered a replacement from the UK	PERIOD SAPS ILLEGALLY WITHHELD MY ORIGINAL PASSPORT				Claiming I had been illegal as of 23 March 2021, and had never extended, while holding the evidence secretly and illegally. The IO. also produced affidavits allegedly from home Affairs saying I was illegal as of 23 March 2021, and claiming Home Affairs wanted me detained for deportation (also a lie)
Jun-22						The I.O illegally kept my passport throughout the remainder of 2022 and well into 2023, making extending impossible, then going on to use my failure to extend at the next arrest to try to decline bail
Aug-22	First illegal arrest. During the bail application the investigating officer Duna admitted under cross examination he had my passport, that it had been passed to him by WdS who had been passed it by PD. The Investigating Officer had use the immigration issue to deny me being released from Hout Bay SAPS. He then used it again to object to bail at the first appearance and then through the bail application					
Aug-22	Despite being granted bail with no conditions, SAPS illegally retained my passport ignoring multiple requests in the following months for its return					
Sep-22	" " "					
Oct-22	Charges thrown out					
	When my replacement passport finally arrives WdS has it stolen by Denis Dalton and Johan Schalkwyk					
Nov-22	Despite the charges being thrown out, SAPS illegally retained my passport ignoring multiple requests in the following months for its return					
14-Dec-22	After losing the November hearing, KB instructed WdS to execute another illegal arrest, doing so on 14 December and filing an application in the High Court to railroad t through while I was incarcerated to ensure there was no opposition.					
19-Dec-22	Bail is granted. The new investigating officer Serg Stevens uses the immigration issue to have the bail rescinded. Telling a series of lies and failing to tell the curf of the history of the sabotage and that he now has my passport (illegally)					The I.O continued to illegally hold my passport throughout the three months in Pollsmoor and for two months thereafter, consistently trying to use the fact I had not extended during 2022 against me. As with the first arrest, the IO. also produced a new affidavit allegedly from Home Affairs saying I was illegal as of 23 March 2021, and claiming Home Affairs wanted me detained for deportation (also a lie)
Dec-22 to Mar-23	AS a result of various factors including ZZ lies to the court to delay the start of the bail application I spent three months in Pollsmoor Prison					
Jan-23	SAPS continue to illegally hold my passport					
Feb-23	SAPS continue to illegally hold my passport					This was despite the fact he knew about the automatic extensions, my own extension and the theft and illegal retention thereafter.
13-Mar-23	After managing to delay the START of the bail application for three months, as it was due to start and the prosecution and defence got first sight of the charges and dockets all of the charges were thrown out	PERIOD MY CURRENT PASSPORT HAS BEEN WITHHELD				
	To try to keep me incarcerated the I.O insisted a new (and bogus) charge be filed, one of failing to leave SA on 23 March 2021					
Post bail	The I.O refused to give me my passport so I could extend my visa. The passport formed no part of any bail conditions and this was illegal.					While at the same time trying to motivate a prosecution for the bogus immigration charge
Apr-23	SPAPS continue to refuse o give me my passport					
May-23	Only when my attorneys confirmed their intention to submit Representations to the Senior State prosecutor did he finally agree to "LOAN" my passport to me for a couple of days so they know when the application will be submitted to ensure its rejection. I immediately submitted a visa extension application.					The loan for a couple of days was so they would be aware when the application was submitted, to be able to interfere with and reject it.
Jun-23	Detailed Representations submitted to Senior Public Prosecutor, which they investigate for two months					Rejection was highly likely regardless considering as a result of the theft and illegal retention of my passport I had not been able to submit an application for a year and a half
Jul-23						and the application I was submitting was based on my old not current passport
Aug-23						
Sep-23	Senior Public Prosecutor concludes investigations and withdraws the charge					
Oct-23	I have written to Home Affairs Dept, as well as the former and current Director General about the matter, trying to get an investigation as well as submitting a letter of good cause explaining what happened and trying to get my immigration status normalised					
Nov-23	SAPS have refused to confirm who holds my current passport or do anything about returning it					
Dec-23	Letters to the Direct General of Home Affairs have been ignored nd I still have no valid passport to travel or extend
